

Name: _____

Quiz 2

Math 243

You have 20 minutes to complete this quiz and upload your work to Canvas. Write your answers on a separate sheet of paper and scan them with a scanning app. When you're finished, first check your work if there is time remaining, then turn it in. You may use a scientific calculator or a graphing one, but you may not consult other people or the internet. **Show all your work. 2 points will be deducted for each minute late.**
